*Far better than "First Class" – it's more like "World Class!"*

—Mari and Jeff Stein, Gettysburg, PA

*The most beautiful place we've ever stayed. All the little touches were so special—we're already trying to figure out when we can come back.*

—Monika and Kerry Orr, Marietta, GA

*Many thanks for your wonderful hospitality. We feel as though we are in the South where we are noted for our "Southern Hospitality."*

—Doris and Homer Newton, Hickory, NC

*You and Steve should be proud of making this place such a place where you can "be still" and have your own thoughts and dreams come alive again! It encourages peaceful thoughts and times to reflect.*

—Steve and Judy Thorne, Atlanta, GA

*Yours must be the most elegant and beautifully appointed "B&B" we have ever come across! We cannot tell you how happy we are that our friends brought us to stay with you. We could not have asked for a better introduction to California!*

—PharkSee and Jolen Tu, Peuang, Malaysia

*We have been to numerous B&Bs and this was the best! The attention to detail, the privacy, and the food was terrific!! We just celebrated our 16th wedding anniversary and could not ask for more.*
