FOUR NEW SUITES ADD TO THE LUXURY OF THE HONOR MANSION

The Honor Mansion, a AAA Four Diamond award-winning luxury inn, located in the heart of Sonoma wine country and 80 miles north of San Francisco, is growing by leaps and bounds! The latest addition to this splendid nine-room inn is the Vineyard Suites, a private duo of rooms, both with vineyard views and private patios.

Newly opened, The Vineyard Suites raise the bar for luxurious wine country accommodations. The first suite has been named "Dono del Cielo," which means "Gift From Heaven." This large suite features a king-sized bed; lavender and taupe décor, with silver bisque furniture accents; corner fireplace which can be viewed from the sofa, the soaking tub, or the bed; large slate and quartzite tiled bath with two-headed shower and soaking tub; outdoor garden spa tub for two; full wet bar and coffee service; television and VCR (with a library of tapes); stereo and CD player; an exterior fountain and private parking.

Diamo Grazie ("We Give Thanks") features a king-sized bed; ruby and butterscotch décor, with gold leaf furniture accents; double sided fireplace which can be viewed from the bedroom or bath; slate and quartzite tiled bath with two-headed shower and soaking tub; outdoor garden spa tub for two; full wet bar and coffee service; television and VCR (with a library of tapes); stereo and CD player and private parking.

Luxury abounds in Vineyard Suite Three, nicknamed "Romanza," which means "romantic." An exquisite king canopy bed, plush leather chairs, wet bar, and bistro table provide all the comforts of home, only better. The bath's soaking tub is a sensuous spot to soak in flickering candlelight. Outside, a private patio beckons you to recline in the sun, or enjoy the spa tub for two. Featuring tropical touches and soothing cream and green tones, the suite also offers a gas fireplace, huge double-headed shower, and TV/VCR.

Situated farthest from the main house, Vineyard Suite Four, nicknamed "Conforto," which means "comfort," is a peaceful haven from the workaday world. A see-through fireplace casts a warm glow over both bedroom and bathroom, and a divine four-poster king bed with down
